

Dear potential donor:

My name is Monica Wiehl and I am the Manager of Arctic Education Foundation – a private, nonprofit organization committed to providing support and assistance to Iñupiat students pursuing higher education.

Our team at AEF is excited to announce our **6th Annual Ivalu Gala on Friday, February 28th, 2020 at the Hotel Captain Cook.**

All proceeds raised from the Ivalu Gala will benefit Iñupiat youth seeking postsecondary degrees, training or certificate endorsements in order to become successful leaders in their communities. As in previous years, the Gala will present a fashion-forward Live Auction, as well as a VIP Reception and Silent Auction featuring exceptional hand-crafted artwork.

AEF cordially invites you to support our mission of promoting an educated, trained Iñupiaq workforce by making a monetary or in-kind donation today. We are still in need of auction items, including artwork, wearable art, “experience” packages, gift baskets and/or Gala sponsorships. A donation form is included for your convenience and additional information is available at ivalugala.org. In-kind donations may be eligible for a commission, if desired.

Thank you for the opportunity to present this letter and for your time and consideration when it comes to contributing to our organization. I hope you are able to join us in support of AEF and Alaska Native education at the 2020 Ivalu Gala! Quyanaqpak!

With deep gratitude,

Monica Wiehl
Manager, Arctic Education Foundation
